

VIII Irische Texte iii. p. 87.

[5] 'I m-Bendchur
atá Mongán mac Fíachna:
is le[is] atá Conchobur
ar grafaind scáilte scíathcba.'

'In Bangor
[10] Is Mongán son of Fiachna:
With him is Conchobur
At the contest of shield-splitting.'

Quoted as an example of the metre called *ae freslíge becc*. *Is leis* is Stokes' conjecture for *isle* of the *isle* of the MS.
